

It has been a busy couple of weeks at Riverdale School. The children and their teachers have all been preparing for our upcoming Production. I wish to publicly thank the staff for the extra work they are doing to have the children ready for the big night. The costumes look amazing, and there is a great sense of excitement around the school as the children look forward to being on stage.

We have also had several successes since our last newsletter for our Dance Explorers, Sports teams, and Enviro Explorers. It is wonderful to see children excelling in the many extracurricular activities Riverdale School has on offer.

MĀORI LANGUAGE WEEK

Nau mai haere mai ki te Wiki o Te Reo Māori! Welcome to Te Reo Māori week. This week we have increased our focus on reo. Mrs Whitta has been working with tamariki right across our Kura with activities that focus on Māori. We collectively created a Whare Tapa Whā model, made fortune tellers asking us patai (questions) about how we feel and what activities we do to make us happy, completed a "Kei te pai" placement, created our own 3D Whare models and also practised Mindfulness. It was a busy week and our tamariki were happily engaged in these lunchtime activities. Ka mau te wehi, koutou! Kia kaha te reo Māori!

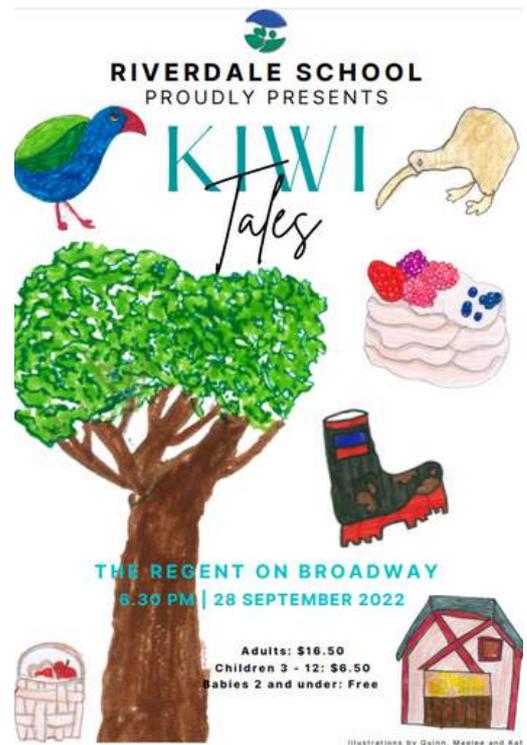

To our new student:

We wish you happy days at Riverdale School

WALKATHON

We are excited to announce that we are in the process of investigating the installation of a brand new heater system for our school pool. This will allow teachers to continue swimming lessons for longer and make it a more pleasant experience for our students on colder days.

Please help us reach this goal by filling up your sponsorship form! These need to be returned to the office by Friday 29th September. Extra forms available at the office. Amazing prizes up for grabs!

ENVIRO EXPLORERS

It was a proud moment for our young Enviro Explorers leaders as they showed a group of 18 visitors from the Enviroschools Programme all of the mahi we are doing around Riverdale School to be kaitiaki (guardians) of our environment. The children spoke confidently and they received a well deserved Bronze Reflection Award for their efforts. Ka Mau te Wehi! What an outstanding achievement.

CLASS CELEBRATIONS POUTAMA & POUNAMU ATAWHAI QUIDDAGE

The Year 4 - 6 ākonga in Pounamu Atawhai and Poutama held their first Quiddage Market Days for 2022. After spending the first half of the term learning all about the Design Technology Process, it was finally time to put their entrepreneurial skills to the test.

Quiddage is a fantastic opportunity for our senior students to explore Financial Literacy, Market Research, Advertising, and Health and Safety while learning about operating a business. We are looking forward to taking some time to reflect on our learning before starting to plan our upcoming Term 4 Quiddage Days!

Please ensure when making payments into the bank account that you use your child's name as the reference. Alternatively you can bring cash into the office.

INTERNATIONAL LITERACY WEEK

We had a fabulous time celebrating International Literacy Week. Mrs Kenyon shared some of her favourite books from home and we thoroughly enjoyed our visitors from the Palmerston North Girls High School Varsity Drama group on Friday.

The highlight of the week had to be the Teddy Bears' Picnic. Children and toys had a wonderful time reading books in the sun at lunch time.

A huge thank you to all our families who donated a book. These have been sorted by our seniors and are on their way to new homes.

DANCE NZ MADE

Last week our Dance Explorers took part in Dance NZ Made. Jackson competed on Monday night in the Solo competition and took out the title of Year Four Dance Champion!

On Tuesday, the team spent the day at the Regent on Broadway participating in a variety of dance workshops. They performed at night and placed Second Runner Up in the teams competition which means they are off to Nationals on the 24th of September.

We congratulate all our dancers and wish them the very best of luck for Nationals next week.
